

NX-IMG-POE

Convertisseur de Média Gigabit Ethernet PoE+ Industriel

Technical Specification

- Connector Types : RJ-45 & SFP
- Interface Copper : 1x 10/100/1000Base-T
- Interface Fiber : 1x 100/1000Base-X SFP
- Data Rate : 1 Gbps
- Management Type : Unmanaged
- Media Conversion Type : Copper to MMF or SMF
- Media Type : MMF or SMF
- Reach : Depends on the optical module
- Wavelength : Depends on the optical module
- Power Supply : Terminal Block
- POE : POE+
- POE Watts : 30W
- IEEE Standard : 802.3at
- Environment : Industrial
- Mountable : Wall/Rail Mountable
